

Premium Mailing Bag - Print Area Guide (Over Printed) - 190 x 50 x 230mm

How to supply your artwork.

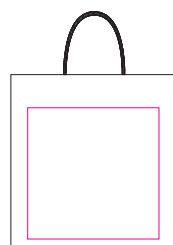

We only accept PDF, AI or EPS files.

All images must be embedded.  
We recommend a resolution of 300 dpi.

All text will need to be outlined,  
alternatively the font files provided.

Set your artwork within the specified print area.  
The print area may vary subject to sight of artwork

All Pantones are printed CMYK and  
matched as closely as possible.

We do not recommend printing large,  
solid areas, mottling can occur due to the  
digital print process.

Please email your artwork to your account manager or to [hello@paperbagco.o.uk](mailto:hello@paperbagco.o.uk).  
Your artwork will be checked and PDF proof emailed with 24 hours

If you require any assistance, help or guidance with your artwork  
a member of our sales team will be happy to help.
